## Animal Health Certificate

(for Dog & Cat to be Exported to Hong Kong from Group II Countries/Places only)

**IMPORTANT : Please read the Notes overleaf before completing this form**

<b>PART A: DECLARATION BY *OWNER / CONSIGNOR</b> (To be completed by owner / consignor)			
Dog/Cat:	Breed:	Sex:	Age:      Year      Month
Colour :	Microchip No:	Type of Microchip: # <input type="checkbox"/> AVID # <input type="checkbox"/> Other ISO Compatible	
Expected Date of Animal to be Exported: (dd/mm/yy)	Address of premises where the animal has been continuously resident during the preceding 180 days or since birth :		
Name and address of consignee in Hong Kong (Mandatory Field) : (Remarks: The name of consignee must match with the one as stated in the Special Permit)			
The above mentioned animal is 5 months old or older.			
I, the undersigned, am the *owner/consignor of the above animal and declare that the above information is true and correct.			
Signature : _____ Name in Block Letter: _____ Date : ____/____/____(dd/mm/yy)			
Address/Telephone/E-mail:			

<b>PART B: VETERINARY CERTIFICATE</b> (This certificate is valid for 14 days from the date of issue)			
I, * a government veterinary officer / a registered veterinary surgeon licensed to practise in the country/place from where the animal is exported, certify the following: ( <i>Note: The animal can only be exempted from quarantine provided all the following terms are attested as "true"</i> )			
Please tick <input checked="" type="checkbox"/> in the appropriate boxes ➔		True	False
(a)	I am satisfied as to the correctness of the declaration made by the *owner/consignor in Part A above. I have checked that the microchip number above is correct.		
(b)	After due enquiry I am satisfied that the animal has been continuously residing in the country/place of export during the preceding 180 days or since birth prior to departure from that country/place. The area within 10km of animal premises has been free of reported cases of rabies in any animals (excluding bats) during the preceding 180 days from the date of departure.		
(c)	The animal has been vaccinated against rabies on _____ (date) that is less than one year and more than 30 days prior to departure. In the case of primary vaccination the animal was at least 90 days old when vaccinated. ★★ A copy of the history of all rabies vaccination records must be attached to this certificate ★★		
(d)	The animal is free of any quarantine restrictions imposed by the government authority of the country/place of export.		
(e)	The animal is free from clinical signs of infectious or contagious disease and is fit to travel to Hong Kong.
